

I'm Back from the North Pole!

Dear _____

Hello again! Santa sent me to watch over your home until Christmas Eve. Every night I fly back to the North Pole to tell Santa all about your day, and every morning I'll be hiding somewhere new.

Here are my elf rules: you can talk to me and tell me your wishes, but please don't touch me, or my Christmas magic might fade. Be kind, help out at home and look for me every morning!

I can't wait for all our December fun.

Love, your Christmas elf
