Giant Snowflake

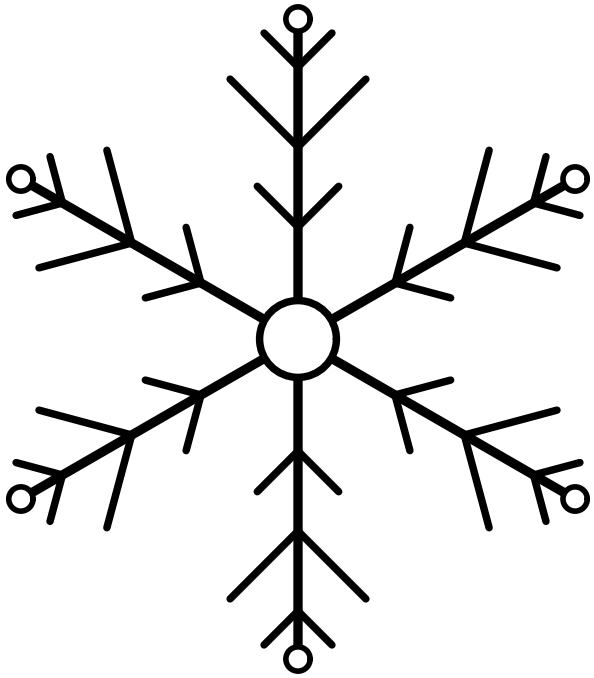

Tape it behind the glass, trace the lines, then add dots of 'snow' around it.

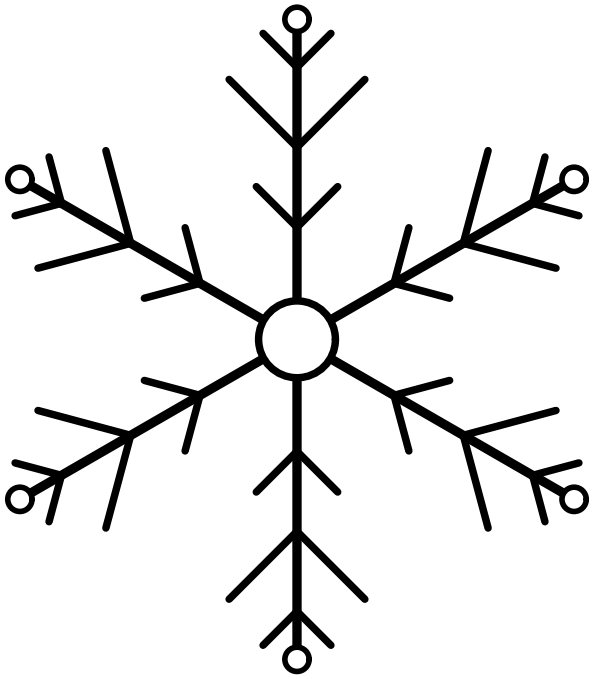

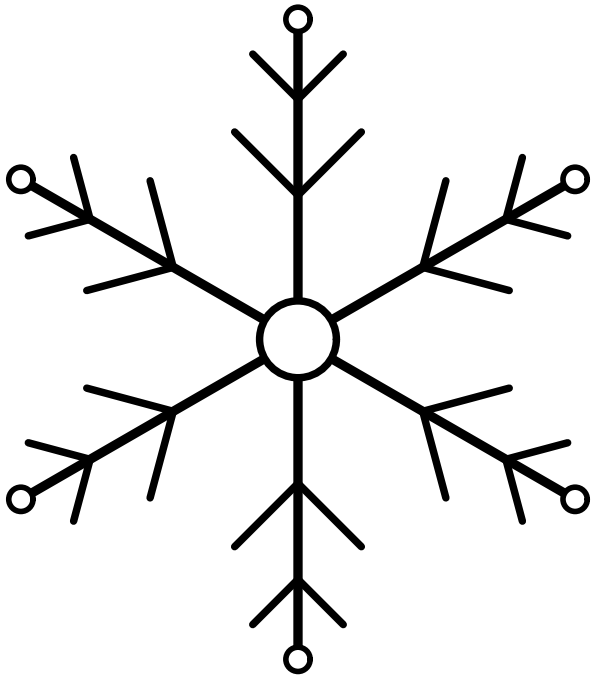

Mix & Match Snowflakes

Trace several sizes for a falling-snow effect. Cut apart if you like.

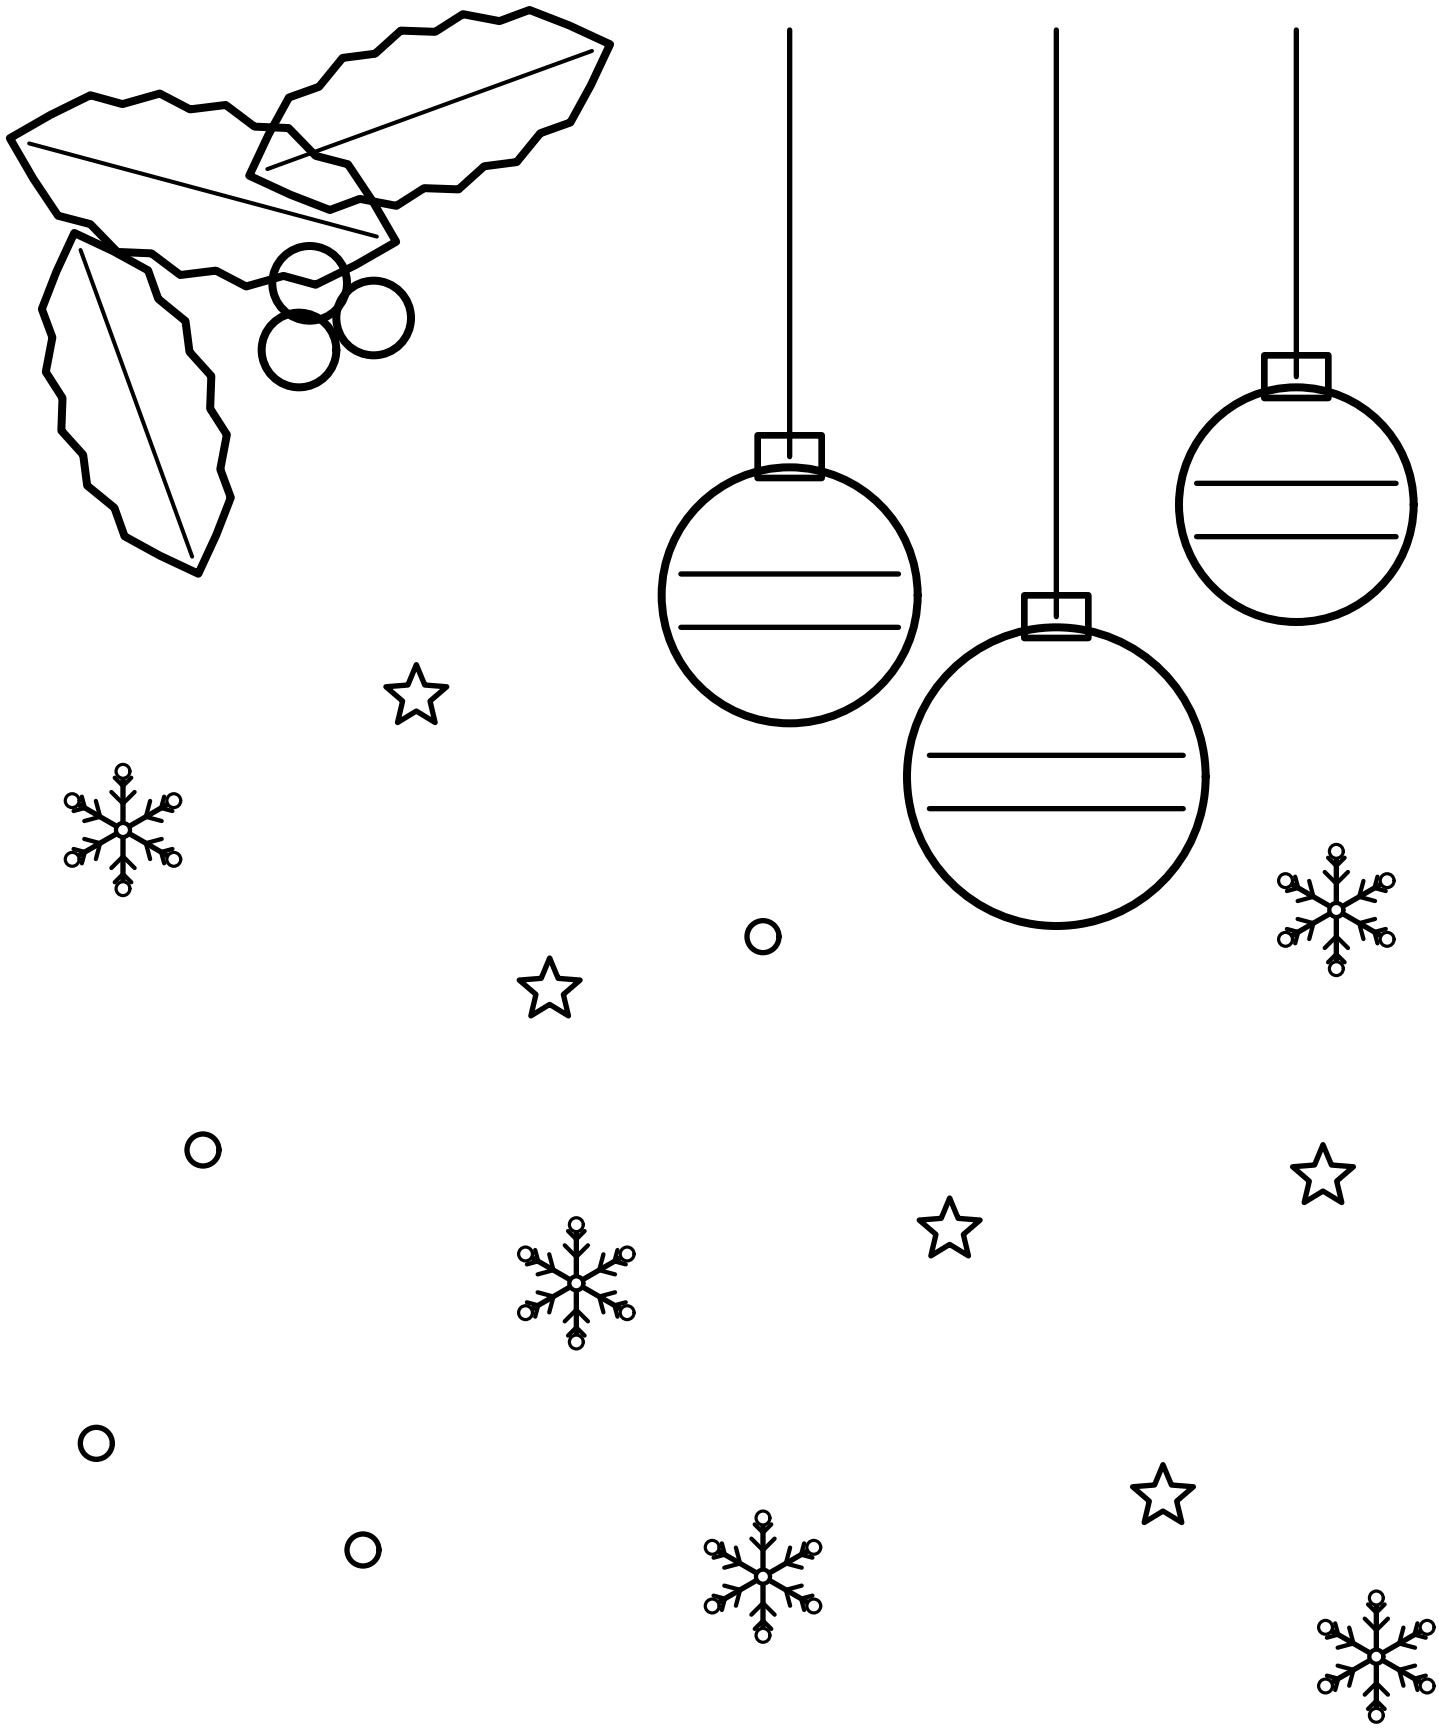

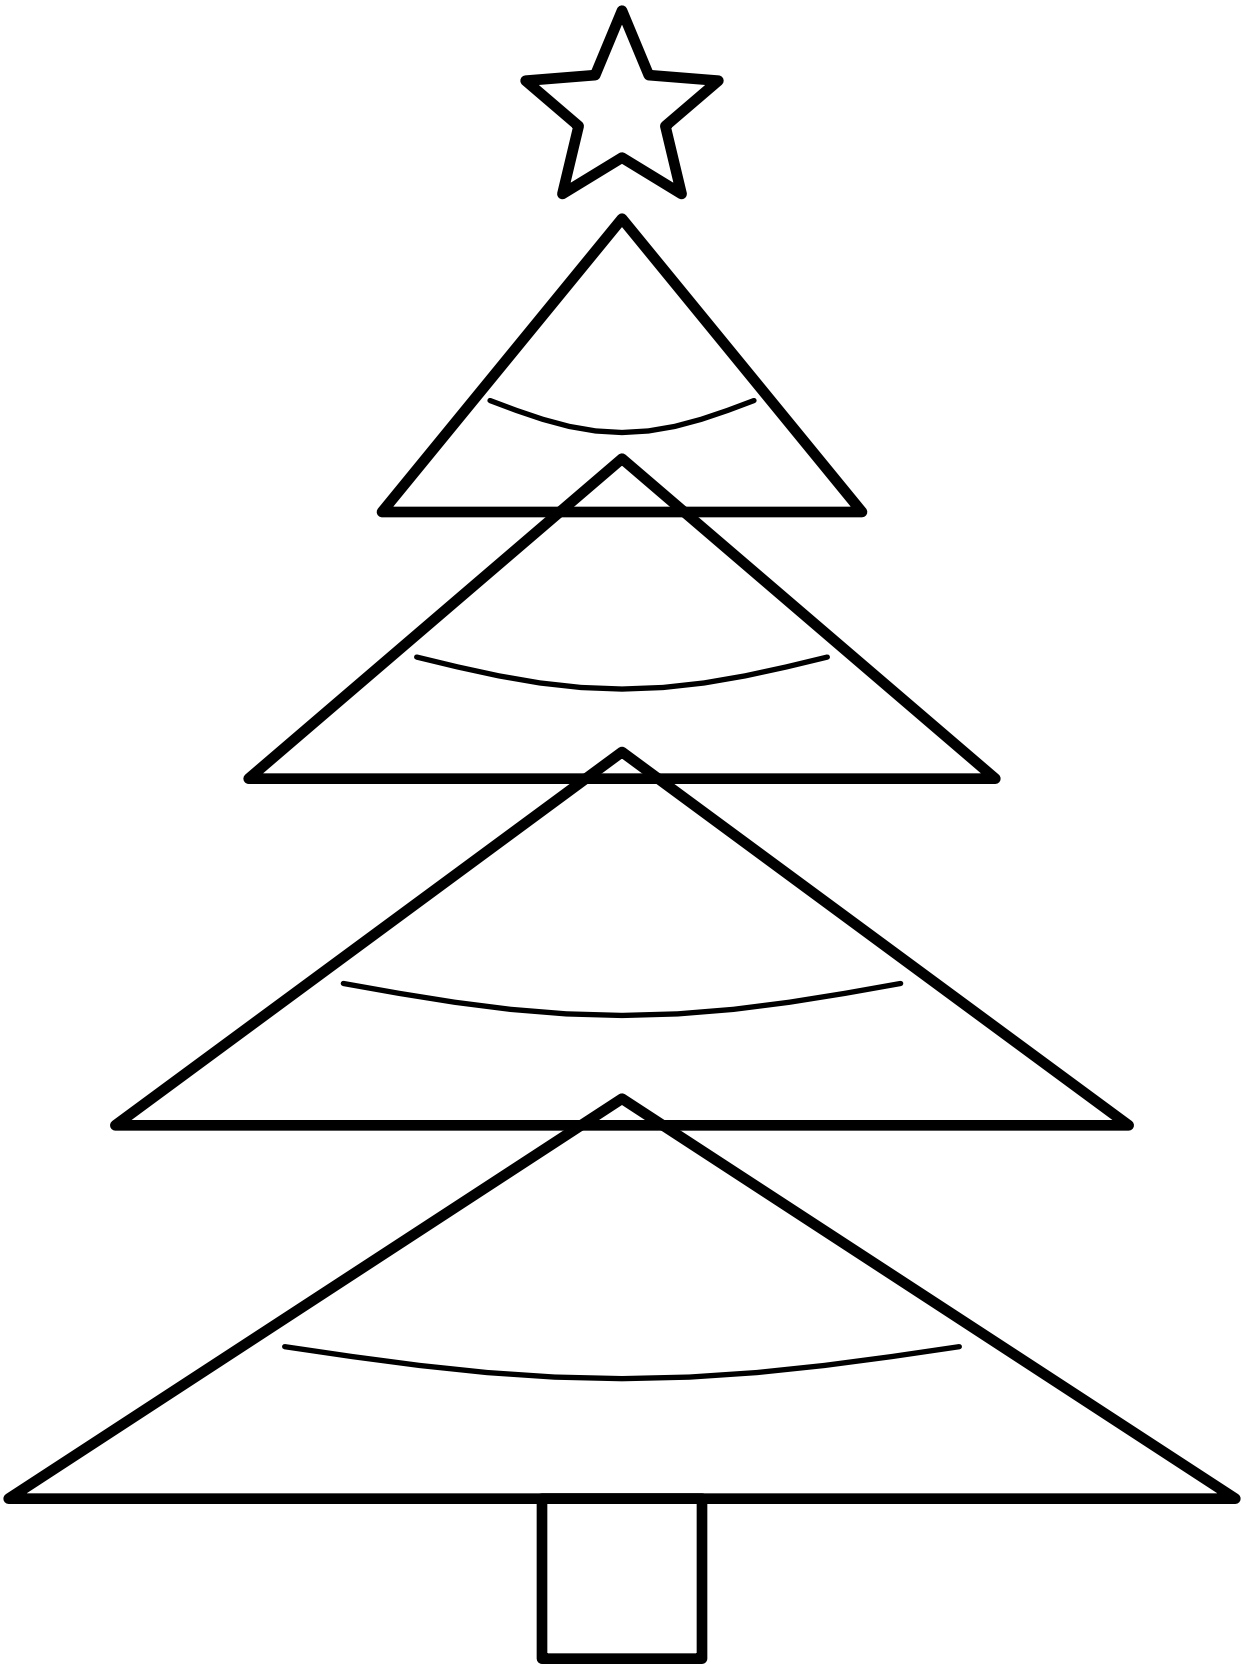

Holly Corner + Hanging Ornaments

Put the holly in a window corner; hang ornaments from a drawn string.

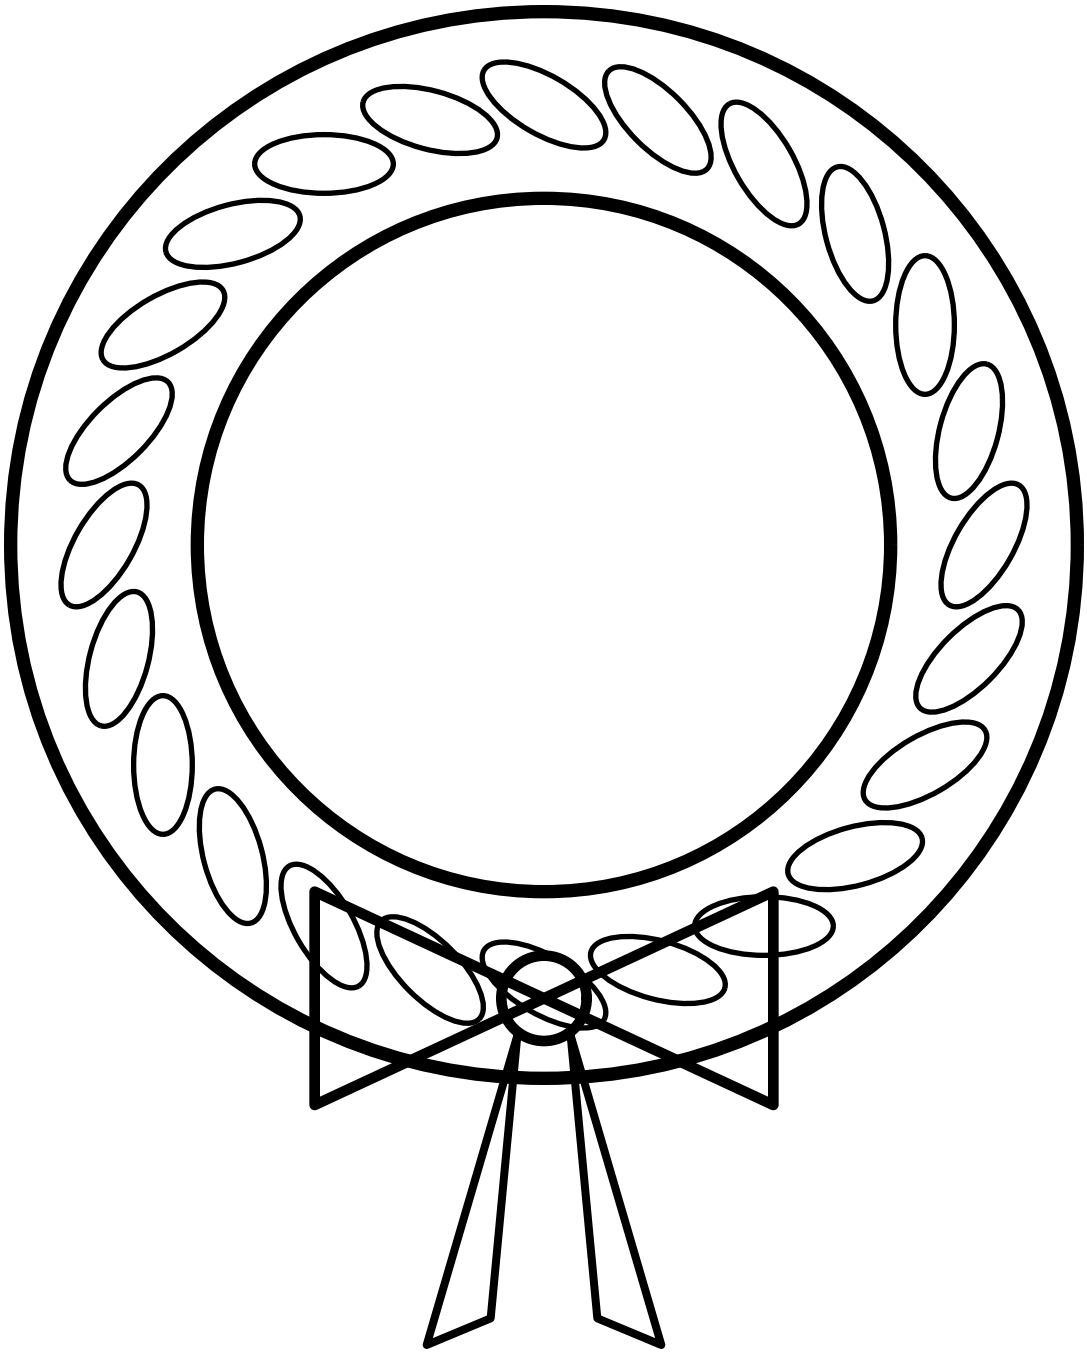

Christmas Tree

Trace the outline, then add your own garland swirls and dots.

Wreath with Bow

Perfect for a glass front door. Add leaves and dots freehand.

Lettering (normal - for inside viewing)

Trace these if people will read the window from inside the room.
